AB 86 News Brief

## AB86 Technical Assistance Webinar:

This week's webinar for Friday, July 24, will discuss questions regarding fiscal agents for adult education consortia and provide an update on the Adult Education Block Grant.

As we get ready to begin the 15-15 school year and implement the Adult Education Block Grant, some regional consortia are still grappling with how will they manage the fiscal role and its responsibilities. Questions consortia might consider in making this decision include

- \* What does a fiscal agent do?
- \* What qualities should we look for in a fiscal agent?
- \* If our consortium opts out of having a fiscal agent, what are we responsible for on the block grant?
- \* What is the timeline for these decisions?

Other items to be discussed on the webinar are the approval of the \$500M block grant, certification of MOE allocations, progress on the regional consortia formula, the upcoming AEBG Summit in September, and an update on block grant guidance, and how we are preparing for the legislative update due this November.

The webinar will be held at 12:00PM to 1:00PM. To connect to the webinar see instructions below or or [CLICK HERE to visit ab86.cccco.edu](http://ab86.cccco.edu).
